

CAMPAIGN COORDINATOR GUIDE

THANK YOU FOR BEING A CAMPAIGN COORDINATOR!

You are essential to the success of our Annual Campaign. Without you, we could not provide the critical funds needed to support our funded programs, plus our innovative initiative work.

Whether this is your first time as a Campaign Coordinator or you're a seasoned veteran, we hope this guide will help you conduct a successful campaign from start to finish.

On behalf of our organizations, United Way and all of the people served in our community, we thank you for coordinating your workplace campaign.

STEPS TO SUCCESS

Get Donors Interested

Involve your CEO: Securing top level support makes your campaign more successful.

Share the story: Educate employees by inviting a speaker to share a story about the positive impact donor dollars have on our community. Contact United Way staff to schedule a speaker.

See impact in action: Share the Campaign Video or take an agency tour. These are highly effective tools!

Agency Speakers: Schedule agency speakers to come and present. Schedule an agency tour

Make the Ask

Ask for the pledge: With new

donors, ask for a first-time gift. For annual donors, thank them for their past support and encourage an increase.

Address questions and concerns: Answer questions honestly and if you don't know the answer ask United Way staff.

Leverage incentives: Employee

prizes and incentives are a way to reward employees for participating. No prize is too small. Vacation days, jeans days, VIP parking and gift cards are great incentives.

Say thank you: Regardless of what the donor decides, thank them for their time
